

TEDS CATSLife study: Feedback questions

These questions appeared at the very end of the test battery, after completion of the Test My Brain and Spatial Spy tests.

Final questions

In answering the following, please consider all the online games that we have asked you to play: vocabulary, remembering words, memorizing numbers, and Spatial Spy.

I was distracted by something in my environment while playing the games.

- Strongly agree
- Agree
- Neither agree nor disagree
- Disagree
- Strongly disagree
- Would rather not answer
